

# Teachers as Scholars Seminars

## Academic Year 2019–20

Teachers as Scholars (TAS) seminars are two-day professional development events led by the outstanding faculty members of The College of New Jersey.

Teacher-scholars who are selected for participation by their school districts can choose from an array of seminars (right); those who successfully participate and complete TAS seminars are awarded 10 professional development hours.

Each seminar is presented on the scenic campus of The College of New Jersey and runs from 8:30 a.m. to 3 p.m.

The dates of the two-day seminars are noted. If you are interested in becoming a Teachers as Scholars participant, contact your district liaison listed in the full brochure available at [step.tcnj.edu/pdsn/](http://step.tcnj.edu/pdsn/).

### SELECT SEMINAR CHOICES

Each seminar is limited to 20 participants. If seats are available, districts will be informed and permitted to register more than one teacher in a seminar. Each seminar requires 10 registrants to warrant its offering.

#### Seminar 1

##### **Introduction to Girlhood Studies**

Seminar leader: Marla Jaksch, PhD  
Seminar dates: October 8 and 15, 2019
