Rubric

	Needs Improvement (0.000 pt)	Developing (1.000 pt)	Meets Expectations (2.000 pts)
Demonstrates Effective Expressive Skills in Manual Communication (1.000, 50.0%)	Candidate is unable to produce manual communication, which is easily understandable by a wide range of Deaf students. Grammatical features, conceptual accuracy, or linguistic functions do not meet the needs of the students.	Candidate is aware of weaknesses in their production of manual communication and seeks to improve them. Candidate's production of manual signed communication is comprehensible, but the candidate lacks the ability to code switch or uses necessary aspects of various forms of manual communication inconsistently.	Candidate is able to communicate educational ideas, knowledge, and processes across a wide range of approaches to manual communication.
Demonstrates Effective Receptive Skills in Manual Communication (1.000, 50.0%)	Candidate is unable to consistently receive information beyond simple exchanges. Candidate either asks for continual repetition or moves on without fully understanding student responses.	Candidate is aware of weaknesses in their reception of manual communication and seeks to improve them by restating portions of the conversation and using appropriate methods to ask for clarification.	Candidate is able to receive and process complex ideas and knowledge across a wide range of approaches to manual communication and formulate appropriate responses.
