

Ewing Enrichment Program

The Ewing Enrichment Program is a collaboration between The College of New Jersey's Office of Support for Teacher Education Programs (STEP) and the Professional Development School Network (PDSN), a consortium of 19 local school districts. The program gives high achieving and self-motivated students the opportunity to take college classes for credit in an area of interest.

Participants must be Ewing High School Students. Please contact Mrs. Maeve DiPasquale prior to registration.

Maeve DiPasquale, School Counselor, Ewing High School

Telephone: 609-538-9800 X2117, mdipasquale@ewingboe.org – Fax: 609-882-8172

For questions related to course selection, registration, and payment please contact:

George Hefelle, STEP Office – 609-771-2540 – aspire@tcnj.edu – Fax 609.637.5196

Once accepted to the program:

Ms. Delsia Fleming, Assistant Dean in the School of Education, serves as the Advisor for Ewing students.

Email: dfleming@tcnj.edu – 609-771-3024

General Information

- Tuition is \$150.00. Additional costs may include textbooks and other materials, lab fees, parking passes, etc. Payment information will be sent to students once enrollment is completed.
- Enrichment students are considered non matriculated TCNJ students. They will have a student ID #, TCNJ email address, and have access to the Canvas course website, computer labs, wi – fi, and library services. Enrollment fee does not provide access to recreational activities and facilities. Student are to adhere to applicable [TCNJ policies](#), [Academic Integrity](#) , and [Student Conduct Codes](#).
- Students may participate in a course if there is space, determined **after** TCNJ undergraduate registration is complete.
- We recommend you choose three courses – a first choice, second choice, and third choice. We will do our best to place you in the first or second choice.
- All 100 level and 200 level course levels without a prerequisite offered during the Fall or Spring semester are available to you. Please note:
 - Modern Language courses – Students may be required to take the language placement test. Please review our FAQ for more details: [Language Placement FAQ](#)
 - STEM (science, technology, engineering, mathematics) courses – Some STEM courses may have math-related prerequisites. Please review our information link for more details: [Mathematics Placement Information](#)
 - ACT/SAT scores are not needed except where noted.

Information and Instructions for selection of TCNJ courses and registration:

You will first choose the courses you would like to take and then complete the [Online Enrichment Program Registration](#).

The registration information will automatically be sent to Mrs. Maeve DiPasquale and TCNJ for review and processing.

Let's begin!

Step 1: Select a first, second and third choice class. Reminder: Only select 100 or 200 level courses
Go to: <https://bulletin.tcnj.edu/2013-2014/current-course-descriptions-a-z/> (link will open in new page)
This page provides an A-Z description of all TCNJ courses by major and provides access to the **Search** option in PAWS(TCNJ course registration system).

– Select an area of interest to learn about its' 100/200 level courses. Not all courses are offered each semester. **You should write down the topic and course #'s for the courses you are interested in taking.** For example: Political Science(POL)

Step 2: Go back to the Course Descriptions A – Z and select SEARCH and then select BEGIN SEARCH.
You will enter the PAWS SEARCH FOR CLASSES PAGE

Here you can search for classes.

– Select the term (Fall2021), Subject and check Show Open Classes Only. See example below:

The screenshot displays the PAWS Class Search interface. At the top, there is a navigation bar with links: Favorites, Main Menu, Self Service, and Class Search. Below this is the PAWS logo and a search bar. The main section is titled 'Search for Classes' and 'Enter Search Criteria'. Under 'Search for Classes', there are two dropdown menus: 'Institution' set to 'The College of New Jersey' and 'Term' set to '2021 Spring'. Below these is a prompt: 'Select at least 2 search criteria. Select Search to view your search results.' A section titled 'Class Search' contains three dropdown menus: 'Subject' set to 'Political Science (POL)', 'Course Number' set to 'is exactly', and 'Course Career' set to 'Undergraduate'. There is a checkbox labeled 'Show Open Classes Only' which is checked. At the bottom, there is a section titled 'Additional Search Criteria'.

You will see all Political Science Courses offered in the Fall 2021 semester.
