# **Field Experience Documentation Submission**

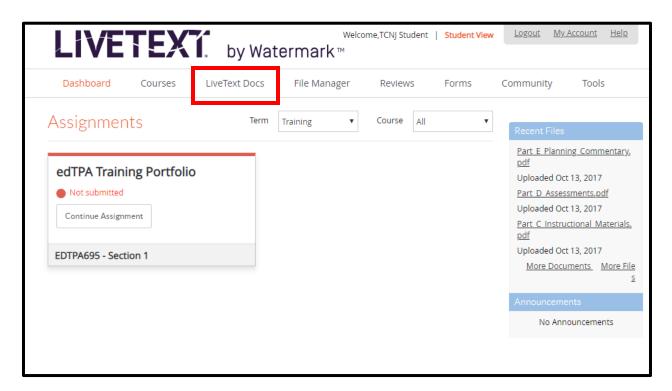

In preparation for your field experience, you will be asked to collect and share documentation with the STEP Office, which will be used to secure your field placement. This guide will show you how to create and share a portfolio.

# Creating a portfolio

1. Start by logging into LiveText at <u>https://www.livetext.com/</u> To log into the system, click the link in the highlighted area.

LIVETEXT. by Watermark™

LiveText and Taskstream-TK20 are now Watermark!
In 2017, LiveText joined forces with Taskstream-Tk20. The Companies are now united under a new name: Watermark. Learn about Watermark's mission to empower educators and students with better data for learning.
Learn More

2. You will arrive at the Dashboard page. Click on "LiveText Docs" (highlighted).

3. You will arrive at the Documents page. Click on "+ New" (highlighted) to begin.

Title Type Date Created Date Modified	
<b>I</b> Currently, there are no documents on this page.	

4. You will arrive at the Create a Document page. Here, click on "Portfolios" (highlighted red). This will expand a dropdown menu. Click "Blank Portfolio" (highlighted blue). Then, to the right, click "Create Document" (highlighted yellow) and you will be prompted to enter a title. Your document title should be formatted as "LastName, FirstName. PAWS ID ######. Documentation Submission". Do NOT skip this step!

## **Required Documentation & Naming Conventions**

Document	Naming Convention	Notes	
TB/Mantoux Test Results	Lastname, Firstname TB Results	Results must be from within the last year.	
Criminal History Background Clearance	Lastname, Firstname Criminal History	When completing the fingerprinting form, use the substitute teacher codes. See directions on the Certification Office website: <u>https://certification.tcnj.edu/substituteteaching/</u> If you had fingerprints taken for a different reason, you may be able to archive them. See Question 2 on this site: <u>https://nj.gov/education/crimhist/faq_crimhist.htm#question2</u> *Please note that if the reason used for previous fingerprinting was "volunteer" or "student teacher" results are not able to be archived.	
Resume	Lastname, Firstname Resume	Resume must be error-free and appropriately formatted.	
Unofficial Transcript	Lastname, Firstname Transcript		
Substitute Certification	Lastname, Firstname Sub Cert	Please include if available.	

You may be notified by the STEP Office that you need to add other documents as required by the placement district, such as HIB certificate, Health Forms, Vaccination Cards, Internship applications, etc. Please upload and name them using the same process as directed above.

 You will arrive at the file attachment page. Here, click "+ Upload New File" and select the files you need to attach. Please see previous page for files needed and naming conventions. When you are done selecting files for upload, click "Save & Finish".

These files attached correctly, but are not in the requested format: PDF

## Sharing your portfolio for review

1. On the portfolio overview page, click "Share this document" (highlighted).

Test, Student. PAWS ID ######. Documentation Submission				by TCNJ Student
Page List	Hide	<ul> <li>Send this document for review</li> <li>Share this document</li> <li>Document Properties</li> </ul>	<b>V</b> isitor pass preview	6
🗋 Blank Page	€ ge Pages	Blank Page 🥒	+	🖉 Manage Content
		<b>Documentation</b> No text or image added. To add text and images: <u>click here</u>	🖉 Edit	
		Attachments           Test File 1.docx         Test File 2.docx		

2. In the Search for Users/Groups/Visitors popup, in the editor field, enter "steplivetext". Click the resulting dropdown and click "+ Add to Share".

3. You have successfully shared your portfolio to the STEP Office.
